Dear Acutus,

We are delighted to receive a further £5,000 Christmas donation from you.

We remain committed to meeting the educational needs of children in Basse in the Upper River Division of Gambia where many families are living below the poverty line and literacy levels are low.

We are pleased to report the school which opened in 2007, is going from strength to strength, welcoming SOS children and children from the local community.

The gift of education to these children is so valuable and will enable a better future for themselves and for their families. **On behalf of every single child we would like to say a heartfelt THANK YOU!**

We wish everyone at Acutus a wonderful Christmas and a happy and healthy New Year.

Best wishes

Monica Martin
