Dear Ronan,

We are writing to thank Acutus for the generous contribution of £500 to Shepherd Construction who are participating in the CARE 24 Peaks Challenge supported by Contract Journal.

We would like to assure you that your donation will be put to the very best use by CARE International. Whether supporting primary health care, promoting sustainable agriculture or developing savings and loan schemes, our programmes promote positive and lasting change and reduce long-term dependency.

CARE also provides emergency food and shelter to survivors of natural disasters, wars and conflicts. We remain with communities long after initial relief efforts are completed and support initiatives to enable people to rebuild their lives and to face the future with renewed confidence. If you would like to find out more about CARE's work and the kinds of projects that your gift will help to fund please refer to www.careinternational.org.uk.

On behalf of CARE International and Shepherd Construction thank you again for your valuable donation.

With best wishes,

Neil Munro
