Dear Sirs

DONATION TO MALAWI MILLENIUM PROJECT

I am writing as Convenor of the University's Malawi Millenium Project to thank Acutus for the generous donation to our Project, which was passed to me by Linda Ion.

The University is grateful to Acutus in permitting Mr McCaffrey to devote time and energy in preparing and delivering lectures to our Construction Law Students. As instructed we have directed your fee towards our chosen charity as in previous years.

The Malawi project could not achieve its many successes without contributions from yourselves and other donors and I can assure you that your donation will go a long way in helping individual Malawians.

In order for you to appreciate the good work which your funding facilitates please visit the following web site www.strath.ac.uk/malawi.

Yours sincerely

Peter W A West
